TESTIMONIES & PRAYER REQUESTS

From Banaf - Dave and I are so grateful for everyone praying into our situation this year and appreciate ongoing prayers and give thanks for the blessings from our loving Heavenly Father, who is forever faithful and is watching and helping us in our needs, he is worthy of praise and thanks not just for what he has done/doing but for who he is 'AN AWESOME GOD' - This Friday my results for knee is explained and Sunday Dave has a colonoscopy check before stoma reversal - operation date God willing this year, welcoming peace, strength and wisdom from Lord Jesus trusting he is ahead of it all. Thank you so much my dear family in Christ, his mighty Spirit guide and protect you and your loved one. Sending gratitude and much love to everyone -

From Jasmine—Special thanks for your prayers for my niece who had a deep vein thrombosis while pregnant – she needed blood thinners to remove the clot which was dangerous to the baby but our loving God through answered prayer protected them both – this MIRACLE BABY is due in January. Please keep praying for his safe arrival.

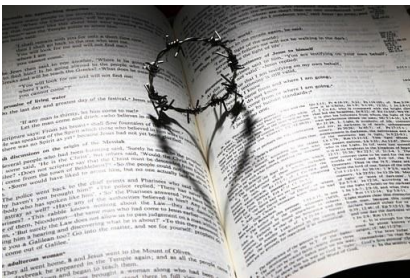

From Deanna—I volunteer for Hope for Food, where I look after families that are struggling financially and are in need of clothing, bedding and household items. Not only have we been in great demand for our services but the donations have been plentiful too!

It all got a bit overwhelming for me and my team of two, so I cried out to God for more help. It wasn't long before two lovely ladies, who are both taller and stronger than me, (an attribute much needed !) have come on board to help. I am so grateful to Father God for His faithfulness. He definitely answers the prayers of His children.

Please continue to pray for Pauline & Jim, Jean Brooman and Sarah Libby.

For Patches and Oli and all they bring to us.

For all at Hampreston school as they prepare for the Christmas festivities.

Loving Lord, we thank you this day, for your mercy and grace.

We are grateful for your healing power, and for the abundant blessings you have given us. But most of all, we thank you for the promise of salvation, given through your Son, our Lord, Jesus Christ. Through him, when all is completed, there will be no more sickness or pain.

Amen
