10.30am Sunday Preaching Series

Hearts on fire

The passionate pursuit of a life following Jesus

A Bible-based teaching series for the Autumn Term

What does it look like when an individual has a heart completely on fire for Jesus?
Now try and imagine what it might look like when a whole church
is united in this heart.

Let's be a church on fire, fully surrendered to following God's purposes. This can only be done in his strength and is always about our hearts. It requires laying things down and submitting to him but experiencing deep gifts for God and his provision along the way. This is true discipleship – which is always described by Jesus as a challenging call, but with rich blessings and rewards; and with Jesus promising to be alongside us every step of the way.

Let's intentionally pursue Jesus surrendering our hearts to him; living in the overflow of his Spirit in us; fully alive and spiritually healthy.

John 1: 1-12

The Word Became Flesh

In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it. There was a man sent from God whose name was John. He came as a witness to testify concerning that light, so that through him all might believe. He himself was not the light; he came only as a witness to the light. The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through him, the world did not recognize him. He came to that which was his own, but his own did not receive him. Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God.
